

Warehouse Management system (WMS)

TalentBeat Inc.

Our Vision: TalentBeat Inc., becoming a preferred one-stop solution provider by 2008, for companies entering or seeking exceptional growth into the e-business world.

Headquartered in Boston, USA TalentBeat Software Pvt. Ltd. is a global IT consulting and Technology Service Company specializing in industry-specific solutions, strategic outsourcing and integration services for last nine years.

We serve across business decisive markets including US, Europe and Asia Pac, by constantly exploring and implementing innovative solutions that drive long-term value to our customers.

We ensure our Clients gain competitive advantage by leveraging our unique delivery model to achieve rapid deployment, world-class quality at reduced costs with a better vision on ROI.

Client Context:

- The client is a U.S. based leading Wine distributor.
- High Technology cost in retaining and running COBOL based system which was too slow, time consuming and not user-friendly and took large amount of processing time.
- Impending entry of large integrated players in their Geographical area – meant they required to be in Fast phased environment and to safeguard their leadership position.

TalentBeat Services:

- TalentBeat designed a .NET based Warehouse Management Solution, after understanding through the Business Managers - unique business process and their underlined business demands.
- The new WMS handles complex operations involved in scenarios such as: Order Management, Customer Management, Pick and Ship, Invoicing, Procurement.
- **Technology:** .NET framework

R.O.I. Delivered:

- Productivity improvements of 20% to 30%
- Inventory accuracy of better than 99%
- Labor cost savings of nearly 25%
